

Message From the Vice President

Hello USGF subscribers,

First off, let me thank you all for the warm welcome onto the USGF staff. I know you all enjoy seeing lovely silver & golden cats as much as I do, and I'm looking forward to creating some marvelous ads for the upcoming issue. It's going to be a great one!

Of course, I can't create ads for your enjoyment if you don't send me your photos, first. So dust off those cameras, fluff up those kitties, and fire away! Then send me your best photos, so I can get to work. Remember, this is your magazine; created by and for the silver/golden community. It's ongoing success depends upon your participation and your submissions.

On that note, if you have any ideas or suggestions for future content, don't be shy! We are a diverse community of fanciers, and that calls for a diverse range of content. Your USGF staff is chomping at the bit to bring you the up-to-the-minute information, interesting articles, and wacky stories you crave. Together with your ideas, we can ensure that the content you see is the content you want, for a long time to come.

Sincerely,
Ameena Lessner
USGF Vice President

Message From the Secretary

Greetings to all Members of the USGF !

It is with great pleasure that I would like to introduce myself as the new "work-in-progress" Secretary of our wonderful Quarterly. A while back, I offered Elise, my help in any capacity that I was capable of, not dreaming that it would be in this position. As I come on board at the end of a long and stressful year in my life, I sincerely hope that Elise and other board members will bear with me, as I go through a learning process, in an effort to do my part.

We are all so very lucky to have so many dedicated people working so hard, giving so much of their valuable time, in an effort to keep this informative and fantastic publication, going out to all members, as well as affiliate members.

In the past, I for one, have not given as much as I have received, when it comes to the pleasure and enjoyment I get when each Quarterly issue arrives in my mailbox. This is my effort to change that.

Sincerely,
Betty Wimberly
USGF Secretary
