

# UNITED SILVER FANCIERS QUARTERLY INDEX - 1972 - 1999

Here is an index of all the USF magazines printed from 1972-1999, organized for your use.

This was truly a team effort completed entirely by e-mail by people around the world! Special thanks to Karen Claybin, EZ2LUV, and Cathy Scarbrough, Carictor, for organizing this massive effort, assisted by Barbara Whitman, Dalee, and Sally Daniels, Shadedknoll, who worked so hard on this in the past few weeks. Also Sue Fitzgerald, Dearden, Australia; Donna Einarsson, Corona; & Munira Murrey, Missionhill, Canada, who pulled us through at the last minute to make this deadline happen. This dedicated group of individuals freely gave of their time to complete what turned out to be a enormous amount of information. We hope it will be of benefit to you. (Any errors or omissions are only oversights.)
